

RENEWABLE ENERGY AND SUSTAINABLE LIVING FAIR

Program Book Rates:

Community Advocates for a Sustainable Environment (CASE) is hosting its fourth annual Renewable Energy and Sustainable Living Fair on Saturday, November 16, 10-4pm at the Armory at Sage College in Albany, NY. The program book will be shared with all attendees and be available after the fair in Rensselaer, Columbia, and Albany counties. We are providing this booklet to help local residents find the resources they need to transition to sustainable energy and away from fossil fuel use, which is dangerous to our health, our environment and our climate.
